

ENVIRONMENTAL GRAM

WHAT DO I DO WITH MY OLD CHRISTMAS TREE?

Your old Christmas tree can be recycled into mulch, and the YMCA needs mulch at its outdoor sports park. They have planted thousands of trees and the mulch will deter weeds, hold moisture, and assist with erosion control.

WHAT DO I DO?

IT'S EASY!

Off base:

Just bring your undecorated tree (without stand) to one of the following locations between 9 a.m. and 4 p.m. January 8 and you will receive a FREE hardwood seedling while supplies last. The Water, Gas & Light Commission will chip the trees!

-- YMCA Outdoor Sports Park, 4508 Gillionville Road

-- Home Depot, 1218 N. Westover Blvd.

For more information, call Keep Albany-Dougherty Beautiful at 430-5257.

On base:

A trailer will be provided in the housing area from the 27th of December till the 6th of January and we will take the trees to one of these locations. Again just bring your undecorated tree, without the stand and toss it in. We won't be able to provide a FREE seedling but we can thank you in advance.

WISHING YOU A MERRY CHRISTMAS
